General Andres Eako and the League of Hungarian Veterans

REFERENCE: Memorandon for the Rocard, "Interview with Mr. Ladibles Ferage", Dated & February 1951, signed by Brigadier General

USAF John B. Adkermen

The resistance group headed by Comman Nake, entitled "Magyar Hardosok Bajtarsi Kesonsege" (MBK or League of Hungarian Veterans), has been brought to the attention of this agency on numerous occasions during the past five years and is known to be engaged in widespread marketing of a distinus intelligence predact to a large number of Western intelligence services. General Lake and his supporters have consistently attempted, under various guises, to culist financial and potential support from amerous government egenties, both in the United States and shread,

Attached for your information is a copy of a brief study of the MEBE. We would appreciate any further information economing the MHSE, its persenuel and their activities which may some to your attention.
